

SUITCASE®

EZ-ACCESS®

Portable ramps for your every need.

EZ-ACCESS® SUITCASE® ramps allow durable, dependable solutions to a variety of mobility and accessibility needs. From the SUITCASE Singlefold to the Singlefold AS, Singlefold GF, and Trifold AS, you are sure to find a convenient, lightweight, portable, and easy-to-use ramp perfect for wheelchair and scooter use.

Aluminum SUITCASE® Ramps

- Lifetime warranty
- Ideal for use at home or on the go
- Designed for wheelchairs and scooters
- Available in 3 styles, each with their own unique features
- Made in the USA

SUITCASE® Singlefold

This portable ramp, with its single-fold design, sets up quickly and can be carried like a suitcase when not in use. Features a full-length hinge for additional strength and stability, and an extruded slip-resistant surface for superior traction. This durable ramp was designed for high traffic use and is simply the best in the industry. 800-pound weight capacity.

SUITCASE® Singlefold AS

Can be used as one unit or easily separated into two lightweight sections, making it even more convenient to use, carry, and store. This ultra-strong ramp provides the safety and strength required while remaining light and portable. Features an applied, slip-resistant surface. 800-pound weight capacity.

SUITCASE® Trifold® AS

Unique 3-fold design allows for ultimate portability when longer ramp lengths are needed. The ramp is designed to be used and carried as one unit, or can be quickly separated into two individual sections for easier transport and reduced handling weight. Features an applied, slip-resistant surface. 800-pound weight capacity.

* Weights are approximate and may vary. Consult your equipment's owner guide for proper degree of incline. Never exceed its recommendations.

Options

- **Top Lip Extension (TLE)**

» Our optional TLE increases the reach of EZ-ACCESS aluminum SUITCASE ramps by extending the top lip from 3" to 9", allowing the ramp to clear the rear bumper of most SUVs and vans.

Be Prepared

Like a trusty umbrella or roadside emergency kit, your vehicle should always have a small wheelchair ramp tucked away for emergencies. A 2-ft. SUITCASE Singlefold ramp is the ideal choice and its compact size allows for easy, take-anywhere portability. The lightweight ramp makes a great traveling companion because it fits perfectly in the trunk of a car, under the seat of a van, or is easily checked at the airport.

Graphite Fiber SUITCASE® Ramps

- Lightest ramp on the market
- Lifetime warranty
- Ideal for use at home or on the go
- Designed for wheelchairs and scooters

SUITCASE® Singlefold GF

This ultra-lightweight ramp is exceptionally strong, thanks to its unique material composition consisting of glass-reinforced graphite fiber.

Available in 5 sizes, the SUITCASE Graphite Fiber ramp features a singlefold design and is the ideal choice for active users and caregivers.

Additional features include a full-length folding joint for additional strength, a slip-resistant coating for superior traction, and high visibility lines on the outer edges for added safety. 660-pound weight capacity.

For transportation on the back of a wheelchair, a carry bag for the 29" ramp is available.

29"	Usable Size	29" x 29" x 1"
	Folded Size	29" x 14-1/2" x 2"
